

ERRATA FOR MY PHD THESIS

DAN DRAKE

My thesis, and a current version of this document, is available at www.math.umn.edu/~drake.

1. CHAPTER 1 ERRATA

None yet! Maybe everything is correct!

2. CHAPTER 2 ERRATA

None yet! Maybe everything is correct!

3. CHAPTER 3 ERRATA

None yet! Maybe everything is correct!

4. CHAPTER 4 ERRATA

None yet! Maybe everything is correct!

5. CHAPTER 5 ERRATA

The oscillating tableau in Table 5.4.2 is slightly incorrect. It should end with the partitions $2, 1, 1^2, 1, \emptyset$, and *not* end $2, 1, \emptyset$. It is also more accurate for the caption on the rooted map to say “vertices not adjacent to *head* of root edge”.
