The Nineteenth

Rivièr e-Fabes Symposium
on Analysis and PDE

April 15-17, 2016

Two-Hour Speakers:

Andrea Bertozzi - UCLA
Fanghua Lin - Courant Institute, NYU
Jonathan Mattingly - Duke University
Roman Vershynin - University of Michigan

The Symposium was established in 1998 in memory of our colleagues Nestor Rivièr e and Eugene Fabes. These meetings are a continuation of the Rivièr e Lectures, which ran from 1979-1997.

Funds are available to support participants; application forms for support are available on the website. Junior researchers, graduate students, and members of under-represented groups are particularly encouraged to apply.

Sponsored by the NSF, the Rivièr e-Fabes Fund at the University of Minnesota, and the IMA (Institute for Mathematics and its Applications) through its Participating Institution Conference Program.
